DCM Report for April 2013 By: Joe

I attended Spring Assembly/ Spring Conference in Rockford in March. This was once again well attended by members of District 22 with over 30 attendees. As best I could tell the largest turnout for any district. Thank you, as your DCM, I must say you guys are awesome! All motions on the agenda were passed.

At the DCM breakout we discussed how to get more people involved with service. I believe here in District 22 we have a tradition started by past servants and carried on by current officers that reaches out to all of our members at meetings, on the personal level and through keeping them informed about activities through district about how to getting involved at the group, district and area level that is outstanding. Each and every one here is important in carrying the message of AA. Thank you your service.

We will be looking for Chair for our summer picnic at today's meeting, followed by people to set up for helping out this year. Please start thinking about how you would like to participate in this year's district picnic.
