DCM Report for May 2013

By: Joe

The Illinois State Conference Committee is looking for volunteers. Since our District is co-hosting with District 23, there will be some great opportunities to help out. At the last meeting they announced they could use help with Greeters, persons to do leads for the Alkathon, groups to host 2 hour segments for the Hospitality Suite, and help in other committees like literature and archives. Come to the next meeting May 19<sup>th</sup> right here at St Hughs at 3:30. Today, starting at this meeting, we will be gathering registrations for tables at the Saturday night banquet, so we can sit together.

Our own District Summer Picnic will be held Wing Park on Saturday July 13<sup>th</sup> from 10-4. This is your picnic and we can use your help from greeters to cooks to adult and child games, set up and clean up, flyers, signs etc... The more volunteers we get the more the work can be divided up. Having a good time, while giving something back. Please come to the next meeting!

Thanks,  
Joe DCM D22

Went to mens program house @6:00 mtg.

There were about 14 people attending.

They still need more support as far as sobriety. All and all they all had schedules. And Bob is still gsr. No alternate.

Sat night Open speaker mtg. Is full as always. Burt L is still GSR, and they have monthly business mtgs. They have Lots of literature. This month Marengo misfits are running mtg. Always a good meeting.

In Loving Service,  
Jayne M.

I updated the meeting schedule and the printable version is up to date as well. Thanks Jonathon. Remember there is a link on the members page where you can report changes for the meeting schedule so you don't have to wait for a GSR meeting.

I can put up a page for your group or for your committee. You just need to provide content. Also you need to let me know when there are updates to the information on your page.

If you want your Saturday night speakers listed on the website please email me the names and last initials at [larrys86@comcast.net](mailto:larrys86@comcast.net) or go to the website and you can email webmaster.
