DCM Report for September 2013

The Illinois State Conference, which our District 22 co-hosted, was a huge success. I saw many people there from our district, too many to count. Dozens of our own members: chairing and working on committees, doing service work at many levels, hosting panels, putting on skits, and working on the many committees that are needed to host this special event. My personal thanks to each and every one who helped out with this to make it an awesome event.

We are looking for a Chair for our upcoming Christmas Party. Please consider helping out, if you would like to be of service. I know I personally receive many benefits from the service I give.

Next District meeting will be on October 6th. We will be holding our elections at this next meeting. Please make note of the descriptions for these positions on the table. Your service is greatly appreciated.

Thank you,

Joe DCM D22

Hi Guys,

The committee chair participated in the Bridging the Gap Weekend Workshop. We helped in both planning and executing the conference over the weekend.

We will be soliciting groups for members to enroll to be approved volunteers in the Kane County Jail. The applications are typically due in Late December/early January but a due date will be published for the entire district. If anyone wants to enroll to volunteer in the state wide correctional facilities.

We have already set up a monthly touch point with the Its About Change House. We will be touching base with that group later on this month.

I am in the process of building a volunteer contact page for the Answering Service. It should be ready this week. I will also be catching up with a number of other updates.

Please remember there is a link on the Members page that you can use to update schedule information.

I can put up a page for your group or for your committee. You just need to provide content. Also you need to let me know when there are updates to the information on your page.

If you want your Saturday night speakers listed on the website please email me the names and last initials at larrys86@comcast.net or go to the website and you can email webmaster.
