Monthly DCM Report

I did attend and participate in the January 25th Area Committee meeting.

Perhaps 8 of our GSRs and service committee folks attended the Service Workshop which I thought was excellent.

We did have a preliminary meeting of the finance committee, elected a chair and decided on some organizational items.

Our Delegate reported that she has a copy of the preliminary agenda for the General Service Conference. The final agenda will be available in mid February and will be distributed so our GSRs can discuss with their groups before attending the pre General Service Conference Workshop in Gurnee at the end of March. (Please note this is being held in conjunction with the Spring Area Assembly at the NIA Spring Conference.)

The Spring Conference Chairman reported on the progress being made for this event and noted that we need registrations and room reservations. The flyers are on the table.

A number of motions were presented for discussion at the committee meeting.

The procedure at Area is that motions for the Area Assembly are presented for discussion at the committee meeting and revisions or more work can be recommended before the motion is presented to the next Assembly. In this case they were primarily housekeeping or procedural in nature. One or two were returned for further work, rewording or clarification. We will all see them before the Spring Assembly when the Chairman will include them in the Agenda he will distribute prior to the Assembly.

I attended the Winter Committee & Service Orientation on January 25th at the Lord of Life Church. While there I picked up plenty of copies of the Northern Illinois Area 20 Service Handbook that will be handed out at our District meeting on the 9th of this month. I was very pleased with the Service Orientation and everyone I came into contact with felt the same. I found it to be a great learning experience for all who are getting or interested in getting into service work. I also talked with the Area Report and Charter Committee that I am apart of and will be meeting with them later this month. I also attended three meetings with our LCM's this month and plan on working closely with them. I've also checked to make sure we are set with our coffee supplies which we are.

Thanks,

Kevin Bailey

February Report

District 22 has \$2157.45 as of February 1st. Our February bills have begun coming in as of Jan. 30,2014.

At this time we are working with a balance above our 1500.00 reserve \$657.45.

Contributions for January from groups were \$445.00. The minimum monthly expenses will be \$211.00 the cost of three main bills.

The first week of the month of February 168.68 spend on bills the AT&T and Answering Service. The budget is proposed on the budget sheet. Please check with the treasure on purchase to help with over taxing the account. Continue to keep asking groups to remember District Contributions.
