

Alternate Delegate Report  
August 5, 2017

I facilitated a Service Orientation Workshop in conjunction with Districts 10 and 12 on June 17<sup>th</sup>. I am in the process of putting one together for Districts 22 and 23 that will take place in late October or early November. Their plan is to do one after their elections for the benefit of the newly elected district officers and service chairs.

If you would also like to host a workshop after your elections please contact me as soon as possible as my calendar is filling up fast.

I was unable to attend the East Central Regional Conference due to personal and business obligations that week end. I will be attending and participating at the Illinois State Conference next weekend. I will be moderating a workshop titled "What is a GSR" on Saturday morning.

Remember that our next assembly is our election assembly. Please consider and encourage others to consider standing for a position. Participating in General Service has been one of the greatest and rewarding things I've done in sobriety and would recommend it to everyone.

Respectfully;

Robert S
