

Northern Illinois Area 20

Unity - Service - Recovery

September 15, 2018

Welcome to the Fall Assembly. A very busy assembly, taking care of NIA 20 business.

I have been busy also. I attended the 2018 Illinois State Conference in Decatur, IL on August 17th through 19th. While I was there I facilitated an alcothon discussing Steps 6 and 7. There was a very lively discussion with a lot of good input. I also sat on a panel of “old timers” (I prefer long timers) and we discussed what we have done to become “old timers”. There were four of us on the panel but I know that there were many more “long timers” in the audience.

I also attended the East Central Regional Conference in Kalamazoo, MI the following weekend and attended the Delegates meeting on Saturday afternoon.

Last weekend I went to District 72 to see Robert S. presentation of his trip to the General Service Conference this past spring.

In grateful service,

Marilyn F.
