Our Delegate has **highlighted items on the final agenda** for us to be sure to discuss. We will start with those.

Then, we will move to **new items on this year's GSC agenda** that breakout groups or GSRs have feedback on and/or recommendations to report.

Lastly, we can **review any items already discussed last year** that a GSR or breakout group feels strongly about. These items are marked by a + before the item.

We are especially interested in group conscience feedback – please come to the virtual mic and share your group's conscience.
