

Background / Reasoning – First

Relevancy – Printed phone books are antiquated and faster, more reliable resources are available.

These directories are printed annually. They don't include meeting addresses. They do include a contact name and phone number. Updates are based on the Fellowship New Vision database. We know that changes are made to FNV year round. So it's reasonable to assume that the directories we're considering must contain a significant amount of misinformation.

The cost to print the last batch of 2,000 Eastern, 1,500 Western and 750 Canadian Directories WITHOUT postage was \$19,215.

Private and sensitive information included.

Motion

We of District 22 are asking for the Area's support that the delegate write a letter to the GSB to discontinue printing of the Canadian, Eastern and Western United States AA Directory for consideration as an agenda item at the 2019 General Service Conference.

Dan Smith - DCM

Northern Illinois Area 20 - District 22
