

# A.A. Per Pal NIA 20 "Corrections Correspondence"

Dear AA Member,

Thank you for considering getting involved with corrections work. This vital program can provide hope, friendship, and most importantly sustained recovery to those incarcerated in our prisons.

To participate simply click on this link and fill out the form.

Once your information is received you will be paired with an AA Member on the inside who has shown an interest in furthering his or her program of recovery.

There are no requirements other than your guidance in helping your new found friend work through the steps. You are not to offer them food, clothing, money or any other such services. You may assist them in obtaining conference approved literature through your district's Corrections Committee.

Thanks in advance for your participation in this vital program especially during these times.
