

Registrar's Report

Presented at the Winter Committee Meeting

January 12, 2019

Jeff L, Area 20 Registrar

Hello Area 20 Members,

Since the winter assembly I have been doing regular changes and updates with the exception of the procedure sent to me from GSO in regards to the new 2019-2020 rotation. As mentioned in my last report, Area 20 has eight districts that rotate at a different time than the Area. As of now only two of those districts have sent their new district committee rosters. I would appreciate having all this information before the end of January. I will be running the FNV for the group updates and the district roster reports the second week of February.

When starting a new group, things to remember are the following:

A.A.'S Traditions suggest that a group not be named after a facility or member (living or deceased), and that the name of the group not imply affiliation with any sect, region, organization or institution.

- Group names are subject to review by A.A. World Services (G.S.O.).
- A group name should be different from other groups in that city.
- Group name, location, primary contact, and meeting information are required to create a group.
- Group names should end with the word "Group".

I have also entered several GSR and three new groups and two group closings.

If any area member wants their committee's roster sent to them please, e-mail me and I will send that out to you. I emailed the updated area roster out with my report and will have a few copies at the back table.

There are blank new group and group change forms on the table in back. You can scan or take a picture of the completed form, (name, address, email and preferably phone number) to registrar@aa-nia.org.

Thank you for allowing me to be of service to the fellowship.

Respectfully submitted,

Jeffery L.

NIA 20 Registrar
