

Report of Alternate Delegate
Summer Assembly, June 13, 2015

I haven't done much since the last assembly. I had also missed the Spring Committee meeting due to unexpected circumstances. Thank you to all who attended the visitations for mine and Jeff's mother and the nice cards that were signed at the committee meeting for both of us.

There haven't been any new requests for the service orientation workshops. Two districts have inquired about them in the past and I haven't heard back. With elections and the rotation of service members for about 2/3 of the districts it would be a good time for members to receive more information and to get a better knowledge of the service structure and what is involved.

It would be nice if Cheryl's post GSC report could be combined with other service information. Please take this back to your districts for discussion. The districts don't necessary have to be combined with another to have these services.

As always I would like to thank the district secretaries for copying me on their minutes and the DCMs for their reports.

Thank you again.

Respectfully submitted,

Kelly L
