

## Treatment Chair Report for 3/24/18

Hello from your NIA Area Treatment Chair:

Since January 1 2018 this writer has been talking to the Treatment Chair of district 62, we are having this workshop on April 14<sup>th</sup> 2018 from 9:00am till 12:00PM and the Treatment Committee would like to have a least one more in another district before the end on 2018.

This writer is reviewing all treatment material for Pre-General Service conference workshop and will be prepared to talk about the agenda items at that event.

This writer has been to two separate district 65 workshops, with other area chairs, our NIA area 20 chair person, our alter net delegate and delegate. I have been invited to three more workshops in other districts and plan on attending at least two of them.
