

FULLY SELF SUPPORTING?
SERVICE ORIENTATION WORKSHOP

SELF-SUPPORT: WHERE MONEY AND SPIRITUALITY MIX

The A.A. groups themselves ought to be fully supported by the voluntary contributions of their own members.

We think that each group should soon achieve this ideal; that any public solicitation of funds using the name of Alcoholics Anonymous is highly dangerous, whether by groups, clubs, hospitals, or other outside agencies; that acceptance of large gifts from any source, or of contributions carrying any obligation whatever, is unwise.

Then, too, we view with much concern those A.A. treasuries which continue, beyond prudent reserves, to accumulate funds for no stated A.A. purpose. Experience has often warned us that nothing can so surely destroy our spiritual heritage as futile disputes over property, money, and authority.

—Tradition Seven (long form)

SELF-SUPPORT: WHERE MONEY AND SPIRITUALITY MIX
The A.A. General Service Conference approved Version

"Self-support begins with me, because I am part of us — the group. We pay our rent and utility bills, buy coffee, snacks and A.A. literature. We support our central office, our area committee, and our General Service Office. If it were not for those entities, many new people would never discover the miracles of A.A."

SELF SUPPORT CARD

The Seventh Tradition states: "Every A.A. group ought to be fully self-supporting, declining outside contributions."

While contributions cover each group's rent and other expenses, the Seventh Tradition is essential at every level of A.A. service. It is both a privilege and a responsibility for groups and members to ensure that not only their group, but also their intergroup/central office, local services, district, area, and the General Service Office remain self-supporting. This keeps A.A. free of outside influences that might divert us from our primary purpose — to help the alcoholic who still suffers.

The amount of our contribution is secondary to the spiritual connection that unites all groups around the world.
