

## Report of the Area Chair

August 6, 2022

2022 Summer Committee Chair Report  
In Person and Virtual meeting via Zoom

To the Area Assembly,

We continue to learn and make progress as we move past Covid. I am so grateful for all of the support and assistance of each of you.

I have appointed Susan H. as the new concepts editor and look forward to her great success in the new role. Thanks Robert S. for your tireless efforts to keep the concepts newsletter live and vibrant.

Cheryl V. has requested to stand in as interim Answering Service Chair and I have accepted that. We will present this to assembly for final approval, but until then she is acting in that role. Thanks Cheryl!

The Illinois State Conference and East Central Region Conference is next weekend in Lisle and looks to be a great event. Thanks to everyone on the Committee for the great work on this event.
