

Hello all,

Greetings from the strange land of Treatment Facilities.

We continue to hold our Treatment Committee Meeting the third Thursday of each month. This month the meeting will be held on OCTOBER 16th. at 7pm.

The Zoom codes are:

ID: 994 296 7947

PW: redbook

We held a combined BTG Treatment workshop at the Round Lake Alano Club. This was on September 20th. It was attended by approximately 20 A's Including Natae S from D11 and Jason C from D10 as well as Jeff L alternate Area Treatment Chair. Also, D10 Secretary Dawn Renee

We discussed the need to keep our commitments in going to treatment Facilities If we stay consistent then perhaps we can expand to Bridging the Gap panels and or Sponsorship panels in Facilities. There is a move in the works to have AA speakers come to Gateway IOP in Gurnee to talk about overcoming obstacles in early sobriety. Also, we need to bring our personal experience with us . some of those in Treatment are unhoused and have nothing but the clothes on their back .

A reminder that the Meeting guide app works if you have a phone but a paper directory is a necessary item also. It may also be wise to reach out to sober houses in our area to bring meetings into those settings and be helpful there.

If we chip away with consistency perhaps we can create a bit more access to better serve those who need help..
