

### Summer Assembly 6/20/26 Delegate Report

Greetings, Area Trusted Servants!

During today's Assembly I will be covering the 76<sup>th</sup> General Service Conference Advisory Actions, Committee Considerations, and key reports in more detail as well as share more about the Conference experience in general.

A full list of the Advisory Actions and Committee Considerations will be sent to Area 20 members and a copy of my PowerPoint presentation will also be made available.

As a reminder, Advisory Actions are recommendations that came out of a Conference Committee which were voted on and approved at the Conference. Committee Considerations are suggestions to the Trustees Committees and/or the General Service Board. These are items that the committee is referring back to the Trustees for additional work, to review, or consider for future action.

#### Recent Activities

5/23/26: XLII Convencion Hispana de AA (42nd A.A. Hispanic Convention) Hilton Rosemont
