

Report – Fall Assembly Meeting September 10, 2022

Hello Area 20:

Since our Summer Committee, I have attended the National Alt. Delegates monthly Zoom sharing sessions. These are insightful meetings where Alt. Delegates from around the country share their insights, experiences, etc.

I attended the Illinois State Conference and participated in a CPC panel Saturday morning be led by the Delegate from Area 21.

I'd love an opportunity to help any DCM's or District Committee Chairs- please let me know how I can be of service!

I look forward to today's meeting and in particular hearing from our DCMs.

Please let me know if there is anything I can do to be of service!

Best regards!

Erik Long
