

Report – Spring Assembly March 12, 2022

Hello Area 20:

Welcome to the Spring Assembly!

While we are meeting virtually once again – I’m extremely encouraged that seem to be getting back to normal and will be meeting in-person at our upcoming Pre-General Service Conference Workshop (PGSCW) on Saturday, April 9th..

Speaking of the PGSCW – beginning on Monday, March 28 to Wednesday, April 6, there will be a series of individual Zoom breakout sessions devoted to each section of the upcoming Conference Agenda. The format for this year will be essentially the same as we used the past 2 years. Fortunately this year, we do not have any overlapping meetings, so it’s feasible to attend each breakout if you wish! I know Chris D will! The full schedule of Zoom breakout meetings with corresponding links is available in separate spreadsheet. If you have any questions, please don’t hesitate to call or ask for help.

Let me also say that I am very honored and excited to serve as NIA20’s Panel 72 Alternate Delegate. In particular, I look forward to supporting our Delegate, Chris D, who I know will do a great job as well as the rest of our Area Committee.

I look forward to a great Assembly!

Best regards!

Erik L

Alt. Delegate

NIA Panel 72
