

Report – Summer Committee Meeting August 6, 2022

Hello Area 20:

Since our Summer Assembly, I have attended the National Alt. Delegates monthly Zoom sharing sessions. These are insightful meetings where Alt. Delegates from around the country share their insights, experiences, etc.

I'll be attending the Illinois State Conference next weekend. I will be participating in a CPC panel on Saturday morning be led by the Delegate from Area 21.

I will be tagging along with Chris D. as he makes additional District presentations and am always ready to be of assistance.

I look forward to today's meeting and in particular hearing from our DCMs.

Please let me know if there is anything I can do to be of service!

Best regards!

Erik Long
