

Report – Winter Assembly

December 10, 2022

Hello Area 20:

Since our Fall Assembly, I was honored to participate on some panels at our 2022 Big Book Conference. Congrats to the committee for a job well done!

I would also like to commend the National Corrections Conference host committee for an excellent job. It was a long time coming, but worth the wait. I was grateful to hear our NIA 20 Corrections Chair, Phil M., tell his story on Friday night.

I had the pleasure of assisting our Delegate with the 2022 AA Membership Survey and visited the Thursday 12 & 12 Group in District 42. I look forward to the finished pamphlet which should come out next year.

Please let me know if there is anything I can do to be of service!

Best regards!

Erik
