Report from the Panel 72 NIA Alternate Chair
Fall Committee, October 8, 2022

Hello NIA,

It's been a busy Summer/Early Fall so far. All our coming Conferences are well on their way to happening successfully, and I'm making as many planning meetings as possible to assist them in any way that I can.

We will be getting to work soon on the 2023 Big Book Conference, planned for November 4, 2023 here at Lord of Life.

I have visited the District meetings of District 21 and District 64 and we have discussed them co hosting the 2024 Spring Conference. We will be having further discussions and I hope that there will be a bid at Winter Assembly.

I am planning a GSR workshop with both an ask it basket and a review of the job of GSRs. I'll have a flyer out shortly.

PLEASE ask me to visit your District meeting or workshop. I'm happy to come and observe, participate in any way you need, or make the coffee.

Thank you very much to Sarah and Debbie and all of District 21 for hosting today!!!!

My expenses this year have been \$535.58

In Service,

Dawn B.

NIA Panel 72 Alternate Chair
