**Report from the Panel 72 NIA Alternate Chair**  
**Winter Assembly, December 9, 2023**

Hello NIA,

Thank you to Tracy and Barb and everyone from District 28 for hosting today!

The work of the 2023 Big Book Conference is over, and a huge thank you to Brett and D61 for a great job. They were a lot of fun to work with.

The work for the 2024 Spring Conference is ongoing, and being fine tuned.

Hoping for a State Conference 2025 bid today.

I visited the last two District 42 meetings, thank you to DCM Dave for welcoming me.

We are still tweaking the tech committee, but my intention is to fill both Tech and Equipment committee with those interested and capable in the work.

I'll be at the Antioch Club on February 17<sup>th</sup> for the first "Ask it Basket" session, along with a tri district workshop. Please send your questions ahead of time (as I may have to search out the answer), and they can be confidential if you like. My intention for the coming rotation is to do these with a few districts at a time, but to get to all of them. I also intend to visit as many district meetings as possible.

Thank you to my fellow panel 72 officers, and to the Area Committee and fellowship of Area 20. It's been wonderful to get to know so many people, work on so many conferences, and work with the GSRS. I know that Aaron will have as much fun as I did in the job. Thank you for allowing me to serve.

My expenses so far this year have been 712.95

In Service,

Dawn B.
