

Greetings Area 20-

The **East Central Regional Forum** is coming up on **Nov 17-19**, and rumor has it that the rooms are going very fast with not many left. It was suggested to me that I inform my area as soon as possible so that you could get your rooms!.

Please see the attached flyer and register for a room as soon as possible to guarantee your accommodations. I wound up calling the hotel directly as the link provided in the flyer did not seem to include a section to apply for the conference rate.

The hotel number is **(866) 568-0896** and you'll need to mention **EAST CENTRAL REGIONAL FORUM**. The rate should be **\$119** per night.

See you all at the elections assembly in a couple weeks!!

Thank you for the opportunity to serve-

-Chris
