

Motion:

It is moved that Area 20 fully fund the Delegates expense to attend the General Service Conference at the suggested amount provided by the General Service Office each year.

Background:

The General Service Office calculates the total cost of putting on the GSC each year and sends a letter to each Delegate Area indicating what the cost per Delegate Area is and asks that each Delegate Area submit what they can toward that expense. It has been the history of Area 20 to fully fund the Delegate as requested by the GSO, however our Primary Purpose Register list the item to be \$2,200.00. Due to this, each year we have to go through the process of making a motion to fully fund the Delegate's expenses but have never changed the PPR to reflect the desire to do so.

This motion would make it a permanent PPB to fully fund the Delegate's expenses regardless of what those are.

The Current (2020) Primary Purpose Register includes the following:

Activity #	Service Activity	Expectation Per Guidelines	Allowable Expenses	Reimbursement Authority	2022 expected Amount
B02	General Service Conference Contribution	The Area Committee is expected to make a contribution for the General Service Conference per AA Service Manual, NIA Guidelines, and historical practice	Year-end contribution to GSB for NIA participation in GSC	Delegate reports to the treasurer the current expenses per the General Service Board	\$2,200.00

The propose revision would be:

Activity #	Service Activity	Expectation Per Guidelines	Allowable Expenses	Reimbursement Authority	Expected Amount
B02	General Service Conference Contribution	The Area Committee is expected to make a contribution for the General Service Conference per AA Service Manual, NIA Guidelines, and historical practice.	Fully fund the Delegate expenses as requested by the GSB.	Delegate reports to the treasurer the requested contribution per the General Service Board	TBD
