Like all of A.A., the primary purpose of members involved with Public Information service is to carry the A.A. message to the alcoholic who still suffers. Working together, members of local Public Information committees convey A.A. information to the general public through activities such as giving A.A. information talks at schools and civic organization meetings, providing A.A. literature to schools and offices, and insuring local media have accurate information and providing them with A.A. public service announcements.
